NEED A LITTLE SUNSHINE?
These days, more so than ever, people can be lonely or anxious and may just need to talk to someone. St Pat's has a Sunshine caller to help brighten the day. If you or someone you know in our community would like a weekly phone call, please be sure to call us. You can call St Patrick's rectory at 815-472-2864 or Mary Anne directly at 815-472-6756. Hope to hear from you soon.

News & Notes from Fr. Pete Jankowski on this Second Sunday of Easter Weekend

(By the way, if you want to get weekly emails from Fr. Pete, join his mailing list at pjankowski@yahoo.com. You can also check out what is going on at the parish website www.stpatrickmomence.org or www.stannestanne.org At the time of this writing, I am being tortured by two priests. At St. Pat’s, Fr. Dan introduced my dog to a "weasel ball" and Gabby is losing her mind over it. Over at St. Anne’s, Fr. Fanale is proofreading my proofread of Alicia’s bulletin. Both priests (and Fr. Lescher) have been a wonderful support over the last few weeks during this craziness. To have three priests like these at these small little country parishes is a real blessing to us – I hope we never take them for granted.

If you watch my introduction to the Mass online this weekend (and you all should – who doesn’t want a good laugh watching a priest make a fool of himself?), I keep mentioning the kindness afforded us by those in the area and beyond with such nice cards, gifts and words of support for what we are trying to do. Because of them (and you!!), we were able to make budget during these last few weeks, including Easter weekend – one of the largest collections of our Church year! While other parishes might be struggling, WE ARE NOT!!! If you keep doing what you are doing, we will get to the other side of this stronger than ever. Thanks to Jack Noonan, Wally Martin, Jim Sparenberg and the gang from all the parishes, we have been able to do some upgrades during your time away. I hope they are of benefit.

As I stated in this upcoming weekend’s homily, the folks at Shalom World television asked me to tape a dozen episodes for their station, accompanied by the books of homilies I have written. You can view all these videos on the parish website; I also included links to these videos in my weekly “News and Notes” that I send out to my email group (if you are not yet subscribed to this, get me your email address and I will put you on the list. Between the website, my email communications and our weekly phone calls to you (and our Sunshine Calls as well), we are doing the best we can to keep in contact. We are blessed that you are with us at the parishes we serve!

Though you have made me see troubles, many and bitter, you will restore my life again; from the depths of the earth you will again bring me up.
