As suggested by Fr. Jankowski, the Diocesan Missions Office will take possession of the renovated convent house and will use the grant that they have received to establish a new type of endowment that would allow Sacred Heart to thrive.

Sister Nancy Schramm, Director of the Diocesan Missions Office, who has thirty years of experience in the Amazonian mission territory will function as Mission Life Coordinator. She will reside in the convent. As Fr. Jankowski requested, St. Patrick Parish will be relieved from the bills and every expense because they will become a responsibility of the Diocesan Missions Office. Without the administrative responsibility assessed to St. Patrick’s in Momence, as provided by canon law, the parish will record the sacraments administered at Sacred Heart because St. Patrick’s is the nearest parish. The only thing that would change is the function of the campus; for those that attend Masses at the mission, nothing would change from their perspective. As Fr. Jankowski has suggested, the Mission Life Coordinator will have the responsibility to contact priests of the diocese and make sure that Sunday Mass and Masses of days of Obligation are celebrated at Sacred Heart.

The Diocesan Missions Office is ready to take over Sacred Heart and ideally the transition could start the 1st or 2nd week in September. The details of transferring the financial records will need to be discussed with Sr. Schramm and Mark Janus from Finance.

God bless — Fr. Pete
